

## Entry form instructions

Each Contestant will need to fill out one Master Administration form, and a entry from for each model entered. Below are the intructions on how to fill them out. A registration number will be assigned to you when you enter. You can print copies ahead of time and fill them out to save time if you like (recommended) if not forms will be avaiable at the contest and people will be on site to help you fill them out.

The Master Admin form will stay with the Registration people and the contest registration Sheet will stay with each subject entered and will be yours to keep after the contest.

**Registration Number will be assigned to you at the door**

**Capital City AMPS Edmonton Chapter**
